

LISTING *GUIDE*

Selling your car can be a **smooth and rewarding experience** when you have the right tools and information at hand. A well-crafted listing is your first opportunity to attract potential buyers, and presenting clear, accurate information along with quality photos can make all the difference in **maximising your car's selling potential**. This guide will help you gather and present the necessary details about your vehicle in an easy, step-by-step process.

Buyers want to feel confident about their purchase. **Providing detailed information** about your car's **condition, features, and history**, along with **high-quality photos**, helps build trust and ensures you're attracting serious buyers. **Clear listings** are more likely to receive inquiries, leading to **faster sales** and potentially **better offers**.

SUBMIT YOUR CAR

STEP 1

Enter Car Details

At this stage, we need to collect some simple information about your vehicle.

If you aren't sure, you can click the option which says 'Not sure' and we will help you with this at a later stage.

You can also find helpful information in your vehicle handbook or documentation.

STEP 2

Car Photos

You will now be required to upload a minimum of 6 photos of your vehicle. These are for internal checks.

Please **ensure you submit the following photos**. (Front, Left, Back, Right, Odometer, VIN)

We will arrange for **professional photos** to be taken at a **later stage** to **maximise the sale potential** of your car.

Please note: If you are taking photos of your car on a busy street, please be cautious of passing traffic.

Front

Left

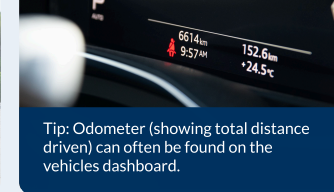

Back

Right

Odometer

Tip: Odometer (showing total distance driven) can often be found on the vehicles dashboard.

Vin

The VIN (vehicle identification number) is typically found on the dashboard near the windshield on the drivers side.

STEP 3

Upload Documentation

As part of our commitment to **verifying Sellers**, we need to collect a copy of your **Vehicle Registration (Mulkiya)** before you list with us.

If you have it, you should also upload any **Service History, Warranty Documentation** and any other **Supporting Documentation**.

STEP 4

Write A Description

Here is your opportunity to really tell your cars' story.

Make your post **stand out** from others. We strongly advise you to **declare any information regarding current or previous damage, notable servicing, or any other modifications/upgrades** in this section.

Once received, all descriptions will be **reviewed** and **optimised** by our curation team to **enhance** your vehicles sale potential.

STEP 5

Set Your Price

Now you need to decide what you want to list your car for.

Once you are happy with the price you have chosen, select '**Submit**'.

As soon as your listing is **approved**, a member of our team will be in touch to **arrange the inspection** with you.
